

Declaration of Conformity

Monarch, the manufacturer/supplier, declares that the battery identified below:

Battery Type: Alkaline zinc-manganese dioxide

Battery Brand: P+

Battery Size: LR6 AA 1.5V

is herewith confirmed to comply with the requirements of the following EU legislation:

- **Council Regulation (EU) 2023/1542** (Battery Regulation)
 - Article 6 and Annex 1 Restrictions on substances
- **Council Regulation (EC) No 1907/2006** (REACH)
 - Annex XVII Restrictions on the manufacture, placing on the market and use of certain dangerous substances, preparations and articles
- **Council Directive 2011/65/EU and (EU) 2015/863 amending Annex II** (RoHS Directive)
- **Council Directive 2012/19/EU** (WEEE Directive)

Labeling:

The EU battery regulation requires the WEEE crossed-out dustbin recycling mark (shown right) and CE mark (shown above) to be on the battery when possible. The battery listed in this document may or may not have these marks due to date of manufacture. However, these marks will be on the packaging, final products, and associated documentation.

This Declaration of Conformity is a self-declaration by Monarch based on information received from our suppliers. At the time of publication of this document, no notified body has been declared (in accordance with Regulation (EU) 2023/1542 on batteries).
