

Declaration of Conformity

Monarch, the manufacturer/supplier, declares that the battery identified below:

Battery Type: Rechargeable Nickel Metal Hydride Battery Pack
Battery Brand: Monarch SPSR Battery
Battery Size: 4-cell 4.8V 2.4Ah 11.52Wh

is herewith confirmed to comply with the requirements of the following EU legislation and harmonized standards:

- **Council Regulation (EU) 2023/1542** (Battery Regulation)
 - Article 6 and Annex 1 Restrictions on substances
- **Council Regulation (EC) No 1907/2006** (REACH)
 - Annex XVII Restrictions on the manufacture, placing on the market and use of certain dangerous substances, preparations and articles
- **Council Directive 2011/65/EU** (RoHS Directive)
 - EN IEC 63000:2018
- **Council Directive 2012/19/EU** (WEEE Directive)

Labeling:

As required by the EU battery regulation, this battery will be labeled with the WEEE crossed-out dustbin recycling mark (shown right) and CE mark (shown above). These marks will also be on the packaging, final products, and associated documentation.

This Declaration of Conformity is a self-declaration by Monarch based on the information provided by our suppliers. At the time of publication of this document, no notified body has been declared (in accordance with Regulation (EU) 2023/1542 on batteries).
