

Declaration of Conformity

As manufacturer, Monarch Instrument hereby declares under our sole responsibility that the product(s) listed below:

Product: F2A1X

Product Type: Frequency to Analog Converter

to which this declaration relates complies with all applicable requirements and other provisions of the European Council Directives listed below when operated in accordance with the user guide. The product and/or associated documentation will bear the CE Mark (**CE**) and WEEE symbol (**crossed-out wheeled bin**) as shown below.

DIRECTIVES:

- **Council Directive 2011/65/EU and Amendment 2015/863/EU** (RoHS Directive)
- **Council Directive 2012/19/EU** (WEEE Directive)
- **Council Directive 2014/30/EU** (EMC Directive)
 - EN 61326-1:2013, Class A
- **Council Directive 2014/35/EU** (Low Voltage Directive)
 - EN 61010-1:2010 – Electrical Safety

EMC testing of this product was performed by Retlif Testing Laboratories in Goffstown, NH (File R5568N-5).
